## LEGAL REQUIREMENTS OF THE CAMPUS SECURITY ACT

The Campus Security Act requires colleges and universities to:

- publish an annual report every year by October 1 that contains three years of campus crime statistics and certain campus security policy statements;
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other University officials who have “significant responsibility for student and campus activities;”
- provide “timely warning” notices of those crimes that have occurred and pose an ongoing “threat to students and employees;” and
- disclose in a public crime log “any crime that occurred on campus. . . or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department;” and
- publish an Annual Fire Safety Report; and
- disclose fire statistics for residential housing facilities; and
- report Hate Crimes

The Louisiana State University Police Eunice Department is responsible for preparing and distributing this report. Through a cooperative effort with other departments and agencies, such as LSUE Judicial Affairs, LSUE Student Affairs, Bengal Village Apartments, the Eunice Police Department, LSUEPD compiles the information. We encourage members of the Louisiana State University Eunice community to use this report as a guide for safe practices on and off campus. For a paper copy, contact LSUE Police/Security office at 337-550-1225, or e-mail [jalon1@lsu.edu](mailto:jalon1@lsu.edu).

LSUE Police Officers are Louisiana POST (Peace Officer Standards and Training) certified and commissioned with statewide arrest authority per [Louisiana Revised Statute 17:1805](#). The LSUE Police Officers receive training that exceeds state standards and will maintain open communication with our community while continuously striving to promote safety and crime prevention.

The LSUE Director of Police reports to the Chancellor of LSUE. The Director also works closely with local public safety agencies to enhance the safety and security of the campus.

Another component to LSUE Police/Security are the **Campus Security Officers** who work under the supervision of the LSUE Director of Police. Campus Security provides a range of services, including dissemination of public safety information, emergency response, crime prevention services, as well as parking enforcement and physical security checks of the campus.

LSUE Police and Campus Security works with the Office of Student Affairs and other departments on campus for the betterment of the community we serve.

### **Active Shooter/Violence Training Videos**

LSUE provides two Active Shooter Training Videos for students and employees. Each is approximately 20 minutes long and offers critical information that you need to know on how to respond if it does happen. They also provide things you can look for and do to help in prevention and mitigation. Campus violence covers a wide range of disruptive behaviors that may include threats, harassment, intimidation, bullying, stalking, dating violence, sexual assault, etc. The videos can be accessed by students and employees on the [LSUE Police website](#).

### **LSUE Cares**

The [LSUE C.A.R.E. Team](#) is a university initiative dedicated to the well-being of students and the promotion of a community that cares about its members. This page offers an online reporting system to help students, faculty, staff, families, and friends submit reports about, potential violations of the LSUE Code of Student Conduct, concerns regarding sexual misconduct, concerns about acts of bias or discrimination, complaints / grievances and concerns about students in crisis or distress. When a report is received, staff will review the details using a C.A.R.E. approach (Communicate, Assess, Refer, and Educate) and then determine a response that includes appropriate campus resources. For more information, visit the [LSUE Cares](#) webpage.

## **SAFETY POLICIES**

The University makes every effort to ensure that the campus facilities, buildings and grounds are designed and maintained in such a way as to promote safety and reduce criminal opportunity. Particular attention is paid to the design of landscaping and exterior lighting.

### ***Use of University Facilities***

With the exception of events that are open to the general public and advertised as such, the University's facilities and programs are generally reserved for accomplishing the objectives and programs of the University. Visitors and non-University affiliated groups seeking to utilize University facilities are expected to make prior arrangements with the appropriate University office. Authorization to use the LSUE facilities is determined by University regulations then in effect. Visitors and guests to Bengal Village Apartments must be registered by their hosts while in apartments.

### ***Bengal Village Apartments***

Housing for student of LSUE is available and is located on campus. As of the Fall 2017 Semester [Bengal Village Apartments](#) is run by the LSUE Director of Housing. All residents of the apartments must be a student.

### ***Academic and Administrative Buildings***

Academic and administrative buildings are secured by Campus Security personnel. Hours of security may vary from building to building, depending on use. These buildings are equipped with fire safety equipment that includes smoke detectors and/or heat sensors that activate the central fire alarm system. Weekend and after-hours use of academic and administrative buildings may be scheduled through the University.

### ***Monitoring and Recording Criminal Activity of Off-Campus Student Organizations***

The Office of Student Affairs and Enrollment Services supports and oversees registered student organizations. There are no off-campus student organizations registered or recognized by Louisiana State University Eunice.

### ***Weapons Policy***

The use of weapons by University police personnel is governed by state law and departmental regulation. The use or possession of firearms or other weapons by students, employees or visitors while on campus is prohibited.

### ***Sales or Use of Illegal Drugs***

LSUE complies with all federal and state laws which prohibit the use, possession and sale of illegal drugs. The University is a drug-free zone under Louisiana law and will not shield any student, employee or visitor from action by civil authorities.

### ***Sales or Use of Alcoholic Beverages***

LSUE complies with all federal and state laws which regulate the sale and use of alcohol. The University neither condones nor shields from prosecution any individual found in violation of the Louisiana Alcoholic Beverage Control laws. The University does authorize alcoholic beverages on campus for sanctioned events complying with state law.

## TIMELY WARNINGS

It is the goal of LSUE Police/Security and the University to keep the campus community informed of serious incidents. Working in conjunction with other University departments, LSUE Police/Security will issue a Safety Bulletin in a timely manner to the campus community about crimes in and around the campus. When LSUE Police/Security receives information that a violent crime against a person or a serious threat to property has occurred or is imminent, a notification will be sent out via text message and/or email. The Safety Bulletin and Crime Alert will contain the following information:

- Type of incident
- Time of the incident
- Location of the incident
- Description of the suspect(s)
- Summary of the incident

If a crime or serious incident is reported to a non-police campus administrator, that administrator should notify LSUE Police/Security of the incident. Working with the reporting administrator and other campus officials, the Police Department will decide whether or not to issue a Safety Bulletin and/or Crime Alert.

The LSUE community is encouraged to notify LSUE Police/Security of any situation or incident on campus that may involve a significant emergency or dangerous situation that poses an immediate or ongoing threat to the health and safety of university members. LSUE Police/Security is charged with responding to reported incidents in order to determine whether the incident, in fact, presents a threat to the community and with requesting other resources necessary to investigate, mitigate, or document the situation.

When the LSUE Police/Security receives notice of a possible emergency on the campus, it will determine if the situation poses an immediate threat to the health or safety of some or all members of the LSUE community. LSUEPD will coordinate with the Chancellor and/or their designee and Public Affairs to determine the content of the emergency message and will utilize some or all of the available communication tools in order to disseminate the message to the appropriate university members. LSUE will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The University does periodically conduct a test of the emergency text messaging system. The University is always in the process of evaluating its emergency preparedness processes.

In all cases, University emergency responses shall place primary emphasis on the protection of human life, and all reasonable efforts shall be made to protect and preserve University property. Announcements about whether the University will reduce or suspend operations because of emergency conditions will be made by the Chancellor through Public Affairs for release to the media.

In order to better communicate emergency information to the campus community, LSUE has implemented the LSUE Emergency Text Messaging System. The LSUE Emergency Text Messaging System is a service that allows anyone in the LSU community to receive alerts, news, or other emergency information via text message on their mobile phones. Individuals can update their information through myLSUE.

Participation in the LSUE Emergency Text Messaging System is not mandatory, but encouraged. Currently the system being used is an "opt-out" system, meaning each semester current students are enrolled into the system. However, they can dis-enroll themselves, but that is highly discouraged.

## MISSING STUDENT NOTIFICATION

Anyone who suspects that an LSUE student who resides in on-campus housing is missing should *immediately* contact the LSUE Police/Security at 337-550-1225 or Eunice Police Department 337-457-2626. LSUE Police will begin an investigation in order to determine whether the student is missing. Once LSUE Police investigates and determines that the student has been missing for more than 24 hours, the University will notify other local law enforcement agencies and the student's emergency contact within 24 hours after the student is determined to be missing. Contacts to local law enforcement agencies will be made whether or not the missing student has designated a contact person.

### Judicial Affairs Process

The LSUE Director of Judicial Affairs is part of [LSUE Student Affairs](#) and is tasked with reviewing potential violations of the [Code of Student Conduct](#) on the LSUE campus and determining if any sanctions or disciplinary actions are to be taken. Although their processes are different, The Director of Judicial Affairs works closely with LSUE Police/Security and other departments on campus to gather information regarding specific events, when necessary for the process. Please refer to the [Code of Student Conduct](#) and the [Student Handbook](#) for more information. The Director of Judicial Affairs can be contacted at 337-550-1218.

### Title IX and Sexual Misconduct Policy (LSU System Permanent Memorandum No. 73)

In Louisiana, there are protective orders for domestic abuse, sexual assault, and stalking; and injunctions against abuse. For more information or assistance, contact one of the community resources listed below.

## **Sex Offender Statement**

The Campus Sex Crimes Prevention Act of 2000 (CSCPA), signed into Law October 28, 2000, amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act.

CSCPA provides special requirements relating to registration and community notification for sex offenders who are enrolled in or work at institutions of higher education. In addition to Wetterling, the Act also amended the Clery Act and the Family Educational Rights and Privacy Act of 1974.

As provided in the Wetterling Act, any person required to register under a state sex offender registration program must notify the state as to whether the person is a student or works at an institution of higher education, identify each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student and must also alert the state of any change in enrollment or employment status.

The Louisiana State Police maintain the Louisiana Sex Offender and Child Predator Registry (SOCPR) for the State of Louisiana and are responsible for the enforcement of the applicable sections of law cited above. Information about any individual affiliated with Louisiana State University in regards to this matter may be found at the public SOCPR website: <http://www.lsp.org/socpr/default.html>

## **SAFETY TIPS**

Safety is a shared responsibility. As members of the campus community, everyone should help to make the campus a safer place. Using some simple safety precautions will greatly reduce your chance of becoming a victim of crime. One simple piece of information you should always have is your location. If there is an emergency, responders will ask for your location, address, etc., so have this information readily available.

### **PROTECTING YOURSELF AT HOME, IN YOUR ROOM, RESIDENCE HALL OR APARTMENT**

- Lock your door, even when you intend to return home shortly or even if you are just going down the hall. It takes a thief ten seconds or less to enter an open room and steal your property.
- Take extra time to ensure that your windows and doors are locked, especially when you are alone or at night.
- Do not leave valuables lying out in plain sight. Record the serial number of your valuables or engrave a unique identification number on the item.
- Store emergency numbers in your mobile phone and place them next to your home phone.
- Do not leave messages on your door indicating that you are away and when you will return.
- Do not let strangers enter apartment or premises.
- Do not prop open outer doors.
- If someone asks to use your phone for an emergency call, offer to telephone for them instead of allowing them access.
- Do not put your address on your key ring.
- Know your neighbors.
- Do not leave keys in hiding places. Thieves will find them. Carry your keys or make sure that anyone who truly needs them has their own copy.
- Call LSUE Police/Security at 337-550-1225 or Eunice PD at 337-457-2626 to report suspicious persons or activity in or around your neighborhood. Off campus, call 911.

- Open a savings or checking account instead of keeping money in your room.
- Keep automatic teller machine cards in a safe place, keep your PIN secret. When possible, only use ATM's during the day.
- Instead of carrying large sums of cash use a charge card. Some charge cards insure property purchased with those cards against loss, theft or damage.
- If you find yourself in immediate danger, call 911; try to stay calm and get away at first opportunity.

#### PROTECT YOURSELF WHEN WALKING

- Avoid walking alone at night unless absolutely necessary.
- Stay on well lit, commonly traveled routes.
- Avoid shortcuts and dark, isolated areas.
- Walk purposefully, know where you are going, project a confident image.
- Avoid potentially dangerous situations.
- If you feel threatened, cross the street, locate an emergency phone, or enter a store or place of business even if you have just left it.
- Have your keys ready in hand when approaching your vehicle or door; not buried in a purse or in your pocket

#### PROTECT YOUR AUTO or BICYCLE

- Always lock your car. Never leave the windows down while it is unattended.
- Do not leave tempting valuables or property visible inside the car. Lock these items in the trunk.
- Lock bikes to bike racks with hardened-alloy locks and chains or u-shaped locks to prevent thefts.

#### PROTECTING YOURSELF WHEN DRIVING

- Look into your car before getting in. Lock doors and roll up windows once inside for protection.
- Never pick up strangers.
- Drive to a police or fire station or open place of business if you feel you are being followed.
- Do not stop to help occupants of stopped or disabled vehicles. Continue driving to the nearest phone and call assistance for them.

## Crime Statistics

Continual efforts are made to inform the LSUE community of matters that affect their personal safety and well-being. Incidents that require an immediate action or reaction from the LSUE Community will be sent through the Emergency Text Messaging System. Other safety information or crime trends will be communicated through broadcast emails to the community. The University believes that an informed public is a safer public. LSU Police/Security, in conjunction with other campus departments have offered and will continue to expand educational programs on personal safety, security of property, crisis intervention, emergency preparedness and crime prevention.

The LSUE Police Department reports crime statistics to the Federal Bureau of Investigation, National Crime Information Center. For more information on LSUE Police/Security, visit our web site at [www.lsue.edu/police](http://www.lsue.edu/police). The following LSU statistics, in compliance with the 1998 provisions of the Student Right-To-Know and Campus Security Act (Jeanne Clery Act), are provided for your information.
